

The International Thoracic Oncology Nurses Forum (ITONF) Nurse/Allied Health Lung Cancer Workshop

6TH SEPTEMBER 2015 • DENVER, COLORADO

The International Thoracic Oncology Nursing Forum (ITONF) is once again delighted to present the informative and interactive ITONF Lung Cancer Nurse/Allied Health Workshop as part of the WCLC 2015 program.

If you are a Nurse or Allied Health Professional involved in the delivery of care to patients with lung cancer or mesothelioma you will benefit from this unique international opportunity for learning, sharing of knowledge and networking.
